Rates of Carmen, settled at the General Quarter Sessions of the Peace, for the City of *LONDON*.

**T**HAT you may take the better Notice of these Carmen, you must observe their Number and Mark; for every one that is Licensed has a Brass with the Number on it, and branded with the City Arms upon the Shafts of the Cart. For if any Person works without such a Number and Mark, he shall forfeit for every Offence 13 s. 4 d. Also if any Carman carry any Coals in his Cart without a good and lawful Bushel, and good and lawful Sacks, agreeing with the Bushel kept at Guildhall, and Sea-Coal-Meters Sacks, he shall forfeit for each offence 10 s. So if any Carman put into his Cart any more than one Horse for the Carriage of any Merchandize, except up a hill, or with Timber, Stone, or other Commodities where the Load cannot be divided, he shall pay for his first Offence 10 s. for the second 20 s. and for every other 30 s. and the supernumerary Horse to be impounded until the Penalty be paid.

Likewise if any Drayman or Carman, that drives, shall ride thereon, or drive his Horse a Trot, through, or in the Street, he shall be carried before a Justice of Peace to be dealt with according to the Offence, and the Horses or Mares shall be carried to the Green-yard.

Or if any Carman be taken not leading his Horse by the Head, he shall forfeit for every Offence 2 s.

Those Merchants, or others, that have occasion to use Carts, are free to choose what Carts they please; except such as stand for Wharf-work, Tackle-work, and Crain-

Crain-work; which are to stand in order, and to be taken in turn.

So if any Person refuse to pay the Rates following, the Carman is to appeal to the Governors of Christ Hospital, or to any Justice of the Peace, where he may be relieved.

Or if any Gentleman, or other, shall cause any Carman to stay with his loaden Carr, above half an Hour before he unloads, and the Carman being willing to help to unload the same; such Merchants, or other Persons, shall pay after the Rate of Twelve-Pence per Hour, after the first half Hour, for his Attendance.

So when any Carman stands with his empty Carr, next to any Goods that are to be loaden, he shall on the first demand load the same without any Delay, or bargaining for other Wages than is appointed in the following Rates; and if he shall refuse to load, he shall pay for his first Offence 5 s. and for every other Offence 10 s. and the next Cart, in order, that shall be willing, shall be at liberty to load the same.

Likewise no Carman is to come to any of the Wharfs, or Places of keeping turn between the Bridge and Tower-wharf, before five of the Clock in the Morning in the Summer Time, or before seven of the Clock in the Morning in the Winter Time, unless a Merchant, or any other Person, have an extraordinary Occasion to require to the contrary.

Also the Carman for the following Rates is to help to Load and Unload; and if any Carman shall take for his Labour and Hire above the Rates following, limited and appointed, and the same be duly proved by the Testimony of one or more Credible Witnesses or Witnesses before the Lord Mayor, or any two of his Majesty's Justices of the Peace, such Carman shall suffer Imprisonment for the Space of 21 Days without Bail or Mainprize, according to the Statute in that behalf, and shall undergo such farther Pains and Penalties, as by the Law may be inflicted for the said Offence.

And

And if any Carman shall refuse to appear upon the Summons of the President and Governors of Christ's Hospital, he shall be punished at the Discretion of the said President and Governors, either by Fine, Penalty, or Suspension.

Complaints of the abuses of Carmen may be made every Tuesday at two a Clock in the Afternoon, to the Court sitting in Christ's Hospital; where telling the Number of the Cart, the Carman's Name will be found out, and he punished.

All Carmen working with a Cart in the City of London, or the Liberties thereof, may demand and take for every Load the Rates hereafter following; that is to say.

**F**ROM any Wharf between the Tower and London-bridge, Tower-street, Grace-church-street, Fenchurch-street, Bishopsgate-street within, to Cornhill, and Places of like Distance up the Hill, with 18 Hundred Weight, not exceeding 20 Hundred Weight, 2 s.

N. B. There's no occasion for making a Bargain with any Water-man before-hand: But at whatever Stairs you find a Water-man waiting for a Fare, call to him, and go into his Boat, bidding him carry you to the Place where you design to Land, when you are landed pay him according to the foregoing Rates, which if he refuses to accept, and demands more, take the Number of the Boat, and when you know that, give him more Money than he requires, and demand your Change, charging him to take no more than his Due; and if he has taken more than his appointed Fare, go to Water-man's-hall, near the Old-swan-stairs, and enquire for the Clerk, to whom relate your Business, giving him the Number of the Boat; and the Clerk will Summon him to attend at the Hall, and answer to the Complaint; where you will be sure to have Justice done you, and the Person punished as the Fault deserves.

# The Rules of Hackney-coachmen and Chairmen, with their Rates; according to the Act of Parliament.

HIS ACT was made in the 9th Year of Her late Majesty's Reign; the Commissioners are authoriz'd under the Great Seal, to Licence 800 Hackney Coaches, to drive within the Parishes and Places compriz'd within the Weekly Bills of Mortality.

Each Coach to be Mark'd with its Number on Tin-plates, of the Breadth of  $6\frac{1}{2}$  Inches, and the Length  $9\frac{1}{2}$  Inches, to be fix'd on each Side the Coach. And every Proprietor to pay the Weekly Sum of 5 Shillings, by Monthly Payments, to the Receivers of the Office. Also to be subject to the following Orders.

One fourth of the 800 Coaches to ply every Sunday, and any one plying, that is not in his turn, forfeits five Pound, to be recovered by any one Person that will sue for it.

No Person can have more than two Licences. For the Purchase of a Licence, there is to be paid fifty Pound Fine.

If any Hackney-coachman uses the Trade without a Licence, he forfeits five Pounds.

Likewise no Person shall use another Man's Figure, or deface his own, upon the Penalty of five Pound; one Moity to the Informer.

## 112 *The Rates of Coaches, Chairs, &c.*

No Horse, Gelding, or Mare, under 14 Hands in height, shall be used for this Purpose.

If any Coachman, or Chairman, shall refuse to go at, or exact more for his Hire, than these Rates following, he shall for every such Offence forfeit 40 Shillings.

N. B. Hackney-chairmen are obliged to go the same distance for Eighteen-pence, which the Coaches perform for a Shilling.

And it is also further declared, that no Hackney-coachman shall take, for his Hire, more than one Shilling for any Distance, not exceeding one Mile and a half, and Eighteen-pence for any greater Distance, not exceeding two Miles.

And Hackney-chairmen, by the said Act, shall not take more than one Shilling for any distance, not exceeding one Mile, and Eighteen-pence for any distance, not exceeding a Mile and a half.

It is appointed that no Hackney-coachman shall presume to take for his Hire, in or about the City of London and Westminster, more for one Day of 12 Hours, than 10 s.

And for one Hour, 1 s. 6 d.

And for every Hour after the first, 1 s.

For the better knowing the distances between the most noted Places in the City and Suburbs of London and Westminster, the Commissioners have caused the same to be measured.

*Note,* The Mile according to the Statute of Henry VII. is eight Furlongs, or 5280 Feet; then if the Step, or Pace of a Man in Walking, be five Foot, 1056 of such Paces, will be an exact Mile.

## General Interest TABLES.

DIRECTIONS for the Use of the following Tables.

THOSE who have any Notion of other Interest Tables, must, at first View, understand these. But, because I believe them, considering their conciseness, of more universal use than any yet published, (they serving by the Management of an indifferent Arithmetician, to shew the Interest of any Sum of Money, for any Time, at any Rate) I thought it necessary to give the following Directions.

The Rates of Three, Four, and Five *per Cent*, laid down in the three following Tables, being a Basis for all other Rates,

### OBSERVE

|                                                        |                     |
|--------------------------------------------------------|---------------------|
| 1 <i>per Cent.</i> is $\frac{1}{3}$ of 3               | } <i>per Centum</i> |
| 1 $\frac{1}{2}$ <i>per Cent.</i> is $\frac{1}{2}$ of 3 |                     |
| 2 <i>per Cent.</i> is $\frac{1}{3}$ of 6               |                     |
| 6 <i>per Cent.</i> is twice 3                          |                     |
| 7 <i>per Cent.</i> is 3 and 4                          |                     |
| 8 <i>per Cent.</i> is twice 4, or 3 and 5              |                     |
| 9 <i>per Cent.</i> is thrice 3, or 4 and 5             | }                   |
| 10 <i>per Cent.</i> is twice 5, &c.                    |                     |

Of any Sum or Sums of Money, though the least here is of 5*s.* and the greatest but of 10000*l.* yet they are a sufficient Foundation for all Less, Larger, or other Sums whatever. Example, The Interest of 1*s.* is  $\frac{1}{3}$  of 5*s.* Of 2*s.* is  $\frac{1}{3}$  of 10*s.* Of 3*s.* is  $\frac{1}{3}$  of 15*s.* Of 4*s.*

## 130 *Directions to the Tables.*

4*s.* is twice 2*s.* Of 6*s.* is twice 3*s.* Of 7*s.* is 5*s.* and 2*s.* Of 8*s.* is 5*s.* and 3*s.* Of 9*s.* is thrice 3*s.* and as easily for any Number of Shillings.

So for any Number of Pounds, 1 and 5 for 6. 2 and 5 for 7, twice 4, or 3 and 5, for 8, thrice 3, or 4 and 5, for 9, &c. And by the same Rule for Tens, Hundreds, and Thousands.

For any Time, though there are over the Columns but 1 Year, 6 Months, &c. to 1 Week, 1 Day, yet by observing as before, for 7 Months 5 and 2, for 8 Months 5 and 3, &c. And,

For Years, Weeks or Days, multiplying the Interest of one by the Number required, they will serve for any time.

The preceding Directions observ'd, by a little Practice and Use, will make these Tables a familiar and easy Epitome for universal Interest; which, if well accepted, will encourage me to attempt something, more new and uncommon, in the next Impression of this or some other Book of the like Nature.
